

CORNTON BAPTIST CHURCH

The Protection of Children and Vulnerable Adults Policy Statement and Guidance

Cornton Baptist Church, located at Johnston Avenue, Stirling, is affiliated to the Baptist Union of Scotland. The Church recognises its responsibility before God to reach the people of Cornton and the surrounding districts for Jesus Christ. Part of that mission is fulfilled in working with children and young people through various organisations within the church.

This policy document indicates our commitment to and acceptance of our responsibility to protect the welfare of the children and young people entrusted to our care. We undertake to encourage and support the parents, guardians or carers of the children and young people, to listen to, relate effectively with and value those who are members of our organisations for children and young people. We undertake also to provide proper selection procedures for those working with children and young people and to ensure that they are properly supported and trained.

The above policy statement will apply equally to any work undertaken on behalf of the Church in relation to vulnerable adults.
